Colin in Computerland

The End of Planet Earth: Part 1

Read the story again. Then choose and write.

Come on! Be careful, be very careful! Are you OK?
Clara! Where are we? What's this? You've got until 12 o'clock.

One day a car stops at Colin's house ...

Colin, this is your last game ... but it's dangerous. _____

Oh! Er ... thanks!

1

Colin opens the parcel ...

A water bottle ... and another computer game! Hmmm ... 'The End of Planet Earth' ... I don't like the sound of that!

2

He puts the game in his computer and sees a message.

Hmmm - a new code. I wonder what it means? Z ... two ... six ... A ... one!

3

Colin is in Computerland again!

Ssssh! We're on Planet Zorgar. Be quiet! Look over there!

4

Colin and Clara are in a television studio.

Attention all Earth people! I am Zado from the Planet Zorgar. A giant meteor is coming to Earth - and you can't stop it! Ha! Only ZADO can stop it! _____ That's ten minutes! Then it's the end of Planet Earth! Ha, ha! Goodbye!

5

Then Zado goes out of the studio.

Let's follow him.

Quick! We haven't got much time!

6

But suddenly Clara hits something ...

Aaagh!

Oh no - it's that purple beam - we can't get past it!

7

Clara! Clara!

8

End of part 1 ...
